TREAT

Targeted, easy to apply Hot and Cold Therapy. Cool to reduce swelling and relieve pain. Warm to relieve pain and increase mobility.

PROTECT

Brace helps protect the wrist while it heals. This is especially helpful in treating Carpal Tunnel when wrist immobilization is needed to prevent damage from twisting or bending.

SUPPORT

The Hot and Cold Therapy Brace provides support to help prevent another injury.

**Use for Carpal Tunnel,
Sprains, Arthritis
and Tendonitis**

Removable Splint

**Fits Left or
Right Hand**
